

# Summary Reporting Agencies

---

The following section provides individual law enforcement agencies' offense counts for only Part I and Part II offenses submitted via the Summary Reporting System method. Part I offenses include 1) violent crimes: Murder and Non-Negligent Manslaughter, Rape\*, Robbery, and Aggravated Assault; and 2) property crimes: Burglary, Larceny-Theft, Motor Vehicle Theft, and Arson. All other reportable offenses are classified as Part II offenses.

*Please Note: Due to the conversion of our State's agencies from the Summary Reporting System (SRS) to the National Incident-Based Reporting System (NIBRS), the agencies submitting via SRS are using the "historical" definition of Rape\* and have not implemented any FBI SRS offense updates or additions since the 2007 NIBRS conversion began.*

The populations are based on the Washington State Office of Financial Management "Official November 30, 2015 Population Estimates". The population data reflect permanent residents only. It does not include transient and visitor populations or residents of the military bases and state or federal hospitals.

*\*FBI Definition of Historical Rape: "The carnal knowledge of a female forcibly and against her will." In 2011, the FBI added a "new" Rape definition; however, due to NIBRS conversion plans, Washington State SRS agencies did not adopt the new definition.*
